## RECOMMENDATIONS FOR YOUR ACTIVITIES

If you have any physical conditions or health concerns, please consult with us in advance, as you may not be able to participate in certain extreme activities.

For aquatic activities, we recommend bringing:

- Towels
- Biodegradable sunscreen
- Sunglasses
- Hat or cap

For land-based activities such as UTVs, ATVs, ziplining, and city tours, we suggest wearing:

- Comfortable, sporty clothing
- Closed-toe shoes or tennis shoes

Please note that some tours — such as horseback riding, camel rides, zip-lining, ATVs, razors, parasailing, and jet skis — have **weight limits for safety reasons**.

During the winter season, we recommend bringing a light sweater, as temperatures can be cooler in the mornings and evenings.

For safety reasons,  
**expecting mothers may not  
participate** in most tours  
from our catalogue.
